Subject: Fwd: Ames Warehouse Fire - Feedback on EPA blurb
Attachments: Website Abstract._DRAFT FINAL-ATSDR.docx

Hi guys

Sorry for delay. Multiple technical difficulties over here, can't get EPA webmail to work at all.

Some minor thoughts from me on your proposed blurb. ATSDR ER also working on a little more detailed followup email for you that we need to clear further with our HQ and state/local health which should include that paragraph on peaks I added to attached - feel free not to add now if you don't feel helpful and want to keep briefer. Might have our followup email ready by tomorrow at some point.
